FURNITURE GUIDE

Mercer's polished-nickel frame was inspired by the luxe furnishings of the 1930s. Designed to coordinate with other items from the collection, each Mercer table, chair, bed or fireplace accent features a clean-lined metal frame alongside airy glass, natural marble or soft upholstery.

THIS COLLECTION FEATURES:

- Metal frames are engineered for superior strength, then plated nickel, polished to a high shine and lacquered to preserve its finish.
- Available in a range of sizes to fit any space.
- Designated items designed in-house by Williams Sonoma.
- Chairs available in signature Tuscan leather; tables available with tempered glass or Italian marble tops; beds available in taupe leather or white linen upholstery.
