Peppermint Bark

One of our best-loved candies, this sweet treat captures the magic of the holidays and is sure to delight everyone on your gift list. It combines two favorite seasonal flavors: chocolate and peppermint. To create this confection, a master candy-maker pours melted dark chocolate, enlivened with a bit of peppermint oil, onto a long table and adds a layer of premium white chocolate. Then the bark is topped with a snowfall of peppermint candy bits. 1 lb. #11-3491297 **\$19.75**

SWEET REMEMBRANCES

*Surprise your clients and employees
with irresistible holiday treats –
at some very sweet prices.*

Toffee Trio

Rich, buttery toffee is among the most enticing of holiday gifts. Ours is produced in small batches at an old-style candy factory that still relies on its original generations-old recipe. Each mouthwatering piece is cloaked in velvety chocolate, then rolled in toasted nuts. Packed in a decorative tin, the assortment includes almond with milk chocolate, pecan with dark chocolate and macadamia with white chocolate. 1 lb. #11-1263680 **\$22.00**

S'Mores

These nostalgic confections are a sophisticated rendition of the gooey treat we all enjoyed as kids, huddled around the campfire. Every bit as satisfying as the fire-toasted version, our s'mores feature hand-made marshmallows sandwiched between freshly baked graham crackers. Then the whole creation is enrobed in rich milk chocolate. All you need to add is a tall glass of cold milk. 1 lb. (six s'mores). #11-3694973 **\$19.75**

Giant Caramel Apple

Surprise employees and clients with a scrumptious caramel apple whose impressive size conveys the enormity of your good wishes. To get crispy Fuji apples this huge, the grower leaves prime specimens on the trees to mature. Rushed from orchard to candy-maker, the apples are cloaked in soft caramel, then covered with dark chocolate and roasted almonds. Packed in a gift box, the apple keeps 1 week refrigerated. 2½–3 lb. #11-1232610 **\$18.00**

Handmade Fudge

Remembered by many as a signature of Grandma's kitchen, fudge (according to legend) was the pride of students at prestigious women's colleges in New England, who "fudged" the rules by making this confection after "lights out." Ours is hand made from fine chocolate, cream, butter and vanilla, and has a smooth, silky consistency. Includes ½ lb. each of dark chocolate fudge with walnuts and milk chocolate fudge. #11-4441622 **\$19.75**

Rocky Road

Offering a taste of vintage Americana, our old-fashioned Rocky Road ranks at the top of every candy-lover's wish list. Fluffy handmade marshmallows are mixed with premium dark chocolate and roasted California walnuts, then poured into traditional molds. These decadent sweets are packed in a classic candy box designed especially for us. 1 lb. #11-3491313 **\$19.75**

Petite Peppered Ham

A ready-to-serve ham is always a welcome gift for busy hosts during the holidays. Ours is produced by Niman Ranch from hogs that are raised by select family farmers and are fed only grains and other natural feed. Fully cooked and smoked, the tender ham is seasoned with brown sugar and cracked black pepper. Served thinly sliced, hot or cold, it makes an impressive centerpiece for a buffet. Ham keeps 3 weeks refrigerated, unopened. Approx. 2 1/4 lb.; serves 6-8 as part of a buffet.

Spey Valley Smoked Scottish Salmon

A gift par excellence, salmon from Scotland's river Spey is a true delicacy, acclaimed worldwide for its mild, sweet flavor and marvelous texture. Farm-raised salmon is rubbed with sugar and salt, then lightly cool-smoked overnight in smoke from old whiskey barrels. For easy, elegant presentation, the fish is fully trimmed and boned, sliced paper-thin by hand and reassembled on the skin. Delicious as an hors d'oeuvre for holiday gatherings, the salmon is also a superb addition to salads and pastas. It keeps 3 weeks refrigerated, unopened. 1 1/4 lb. #11-296152 **\$55.00**

Olivier Infused Olive Oils

We've combined two of our most popular Olivier olive oils in a gift box that will please the most discriminating cook. Capturing the sunny flavors of the Mediterranean, these oils are made in true artisanal fashion. Each bottle is hand filled with California olive oil and infused with fragrant seasonings. The oils add spirited flavor to everything from vinaigrettes and sautéed vegetables to pastas and roasted meats. And they're a superb dip for crusty breads. The set includes Toasted Parmesan & Garlic Dipping Oil and Toasted Garlic Oil. 6.75 oz. each. #11-4034880 **\$22.00**

Bay Leaf Wreath

One of the season's most memorable decorations, this aromatic wreath has been a Williams-Sonoma tradition since we introduced the first-known bay leaf wreath more than 25 years ago. It derives its sweet herbal scent from the fragrant leaves of the California bay laurel, a tree that grows on the rolling hillsides surrounding the Northern California farm where the wreaths are made. The bay leaves dry beautifully for use in cooking throughout the year, providing a delicious reminder of your thoughtfulness long after the holiday season has passed. Recipes included. 15" diam.
