

Progressive®

Use Instructions:

1. Unlock to use. Relock for storage.

2. Squeeze gray tabs. Pull cartridge out from main body.

3. Fill cartridge with fresh peeled whole garlic cloves. **DO NOT EXCEED MAX FILL LINE.** Slide cartridge back into place until you hear a **CLICK**.

4. Squeeze firmly to advance the garlic. Continue squeezing until all garlic is minced.

5. To clean, remove cartridge before washing in dishwasher. If necessary, use the removable white cleaning comb to clear pusher teeth.

Tips for Use:

For best results rinse product with warm water after use to avoid sticky garlic residue build up on blades. To prevent loss, always replace cleaning comb after use.

⚠ WARNING:
