MERCER CONSOLE
Important Safety Instructions:
- Please read all instructions carefully before assembling.
- For your safety, assembly by two or more adults is strongly recommended.
- Keep instructions for future use.
- Use only vendor supplied hardware to assemble. Using unauthorized hardware could jeopardize the structural integrity of the item.

Pre-assembly:
- Remove all parts and hardware from the box and lay out on a clear carpeted or scratch-free work surface, as this will avoid damaging parts during assembly. The shipping box provides an ideal work surface.
- Do not dispose of any packaging or contents of the shipping carton until assembly is completed to avoid accidentally discarding small parts or hardware.
- Use the parts and hardware lists below to identify and separate each of the pieces included.
- The illustrations provided allow for easier assembly when used in conjunction with the assembly instructions.
- The use of power tools to aid in assembly is not recommended. Power tools can damage hardware and split wood.

   1) Carefully elevate the item slightly to provide access to the levelers attached to the bottom.
   2) Turn the levelers until adequate contact will be made with the floor. Gently set down the piece and check stability.
   3) Repeat steps until furniture sits firmly on the ground.
5. Place the Glass Bumper (G) onto the base as shown.

6. Carefully place the Shelf (B) onto the position as shown.
7. Gently lift Top (A) and place onto the top as shown. Ensure the Top is centered. Assembly is complete!
