- The above line art should be used for the Inner/Master Carton stickers.
- The OXO logo should be printed correctly without distortion.
- Tear Testing N/A: Accelerated Age
- Drop Testing
- Testing Required: Bar Code
- Modified: 03.30.20, 04.07.20
- Created: 03.26.20

**OXO Production:**

- Kristine S.

**Manufacturer:**

- Easerich / Vanessa

**OXO Designer:**

- Emily Pak

**INSTRUCTION BOOKLET**

- Batteries
- Includes
- Batteries
- Battery

**Cleaning & Care**

- Do not immerse Timer in water. To clean, wipe surface with a damp cloth.

**Power**

- Timer takes three AAA batteries (included) to operate.

**How to Set Countdown Timers**

- Press the Memory/Clear button to reset the timer back to zero at any time.
- To turn the Timer off manually, press all control buttons until the timer stops.
- Use the Timer Buttons to switch between timers and select which timer you want to set.
- Once your desired timer is selected, use the Number Buttons to select the amount of time. Time is displayed in hours, minutes, and seconds (HH:MM:SS).
- Use the Timer Buttons (T1, T2, T3) to select which timer you want to set.
- Once your desired timer is selected, use the Number Buttons to select the amount of time. Time is displayed in hours, minutes, and seconds (HH:MM:SS).
- Use the Timer Buttons to switch between timers and select which timer you want to set.
- Once your desired timer is selected, use the Number Buttons to select the amount of time. Time is displayed in hours, minutes, and seconds (HH:MM:SS).

**How to Use Stopwatch Mode**

- Press and hold the Memory/Clear button to enter Stopwatch Mode.
- The screen will go into standby mode after 60 seconds to preserve power, but any active timers will continue counting.
- Press any button to wake the Timer up.
- Press the Memory/Clear button to reset the timer back to zero at any time.
- To turn the Timer off manually, press all control buttons until the timer stops.
- Use the Timer Buttons to switch between timers and select which timer you want to set.
- Once your desired timer is selected, use the Number Buttons to select the amount of time. Time is displayed in hours, minutes, and seconds (HH:MM:SS).
- Use the Timer Buttons to switch between timers and select which timer you want to set.
- Once your desired timer is selected, use the Number Buttons to select the amount of time. Time is displayed in hours, minutes, and seconds (HH:MM:SS).
- Use the Timer Buttons to switch between timers and select which timer you want to set.
